“ “We care about main street America because this company is apart of main street America, we care about our communities because we have experienced the struggles of tough times, and we know that we have the power to help.”

Carolyn Rafaelian, Founder  
(preapproved)

“ “Alex and Ani has restored faith in the economy to the community. This company has created good jobs for good people and made us proud to say, 'Made in America' again.”

Jane O'Brian, Alex and Ani guest  
preapproved)
